Nick Galieti I am surprised that the most important thing facing west valley is a pet disaster plan.

Chip Dawson Actually, after Katrina, this became a major issue and focus for FEMA. People refused to leave homes or evacuate to shelters without pets, and there were no plans on how to deal with them. In some cases, there were losses of life as a result. A plan, no matter what scale, is always essential in a major emergency. MAHy other state and local governments across the US have already dealt with this issue in planning for disasters. Kudos to West Valley for looking at this issue.

Nick Galieti So we need a plan to make up for idiots? Sorry, but I am not comfortable spending tax dollars and relief efforts saving pets or the people unable to take care of their own pets.

If someone wants to stay behind because of their pet, then that...

Mayor Mike,

Wow! I am amazed at your quick response. I truly appreciate your time and effort in this matter. I have also received an email from Layne Morris, letting me know what the regulations are regarding beehives in West Valley.

Thanks again,

Rhonda Robison
